Dear Members,

Happy New Year! As we welcome in 2018 I would like to update you on some new value-added initiatives we are adding to further enhance your enjoyment of Onion Creek. For the month of January “Kids Eat Free” EVERY day, as children ages 12 and under will enjoy a complimentary meal from our new Kid’s Menu with the purchase of any adult meal of $10 or more. In addition, to help showcase our ever-improving dining experience, in January our Senior Members age 62 and over will receive a 20% discount off of our new “Legends Grille” menu that Chef Roman rolled out this week!

We are also pleased to be bringing you a number of additional great food & beverage specials, including a new “Small Plates” menu, featuring over a half-dozen items all currently priced at under $6.50, and we have some exciting new Weekly Member Specials that we’re introducing this month. “Taco Tuesdays” will now provide your choice of two beef or chicken tacos, as well as chips & queso, rice, beans, and all the traditional condiments for only $6.95. Of course, we’ll also be featuring $3.00 margaritas for your enjoyment as well! “Wine down Wednesday” features a selection of half-price bottles of wine, providing a great way to try one of Chef Roman’s new menu items while enjoying a great value on your wine selection. “Theme Thursdays” will feature rotating themes each week. Upcoming Thursday themes include Italian Night, South of the Border, Fried Catfish, Stir Fry, and Steak Night. “Theme Thursdays” will range in price from $13.95 to $19.95 so again a great value here at your Club!

Additionally, a new Happy Hour, offered Tuesdays through Fridays, from 4 pm until 6 pm, will feature half-priced drink specials, including our draft beer, house wine, and well drinks.

One of everyone’s favorite Member Traditions is “$5 Burgers”, which is now being offered on Sundays. Please note that to ensure the best in quality and service for our Members who are dining in the Grille, that unfortunately neither our $5 Burgers nor our “Kids Eat Free” meals will be available for take-out.

We are also continuing our popular “Friday Surf & Turf” on the 1st Friday of each month, and “Bubbles and Brunch” on the last Sunday of each Month. Both of these traditions are held in the Main Clubhouse.

January events include “PJs and Pancakes” on the 13th, “Steaks and Stogies” on the 18th, and “Girls Night Out” on the 25th. February events include the “Superbowl Bash Watch Party” on the 4th, “Mardi Gras Dinner and Dance” on the 10th, “Couples Valentines Dinner” on the 14th, “Gourmet Night” on the 17th, and a special “Tequila Tasting” sponsored by Z Tequila on the 23rd of February.

We’re excited about all of our new dining and social activities, and these would only be possible with your support and feedback. To help us continue to add fun-filled new events, I would like to invite anyone interested in serving on the 2018 Social Committee to please contact me for details. We are looking for up to 12 Members who will help provide ideas and plan activities that our Members will enjoy! This year’s inaugural Social Committee meeting is scheduled for Thursday, February 8th at 5:30pm.

Should you have any questions, or would like to provide me with any type of feedback, please feel free to contact me at jferguson@onioncreekclub.com or on my cell phone at 512.757.3746.

We look forward seeing you next time you are at the club.

Greens Committee
FRANK HAUGHT

The golf course lost over 40 trees due to Hurricane Harvey. The Green Committee has planted 3 new trees this fall and will plant another 3 in the spring. We would welcome individuals or groups who would like to support this effort.

Placement of the yellow tees on the forward tee box on 3N has not only been successful in the recovery of the upper tee box but it has been welcomed by those individuals that use the yellow tees and they have asked that it be made permanent. This request has been accepted and has been forwarded to the Handicap Committee for adjustment to the course rating.

Finally, the Pro Shop is working on a new practice tee rotation/program that should help in the overall condition of the practice tee surface.

The Green Committee is the member’s conduit to the golf course superintendent. The committee has representatives from many of the OCC golf groups including the MGA and WGA. If you have questions, concerns or ideas related to the condition of the golf course we want to hear from you. Please contact any of the greens committee members or send your inquiries through the MGA or WGA.

Range Work

Golfers have a big impact on the amount of turf coverage and performance of practice range tees. How one practices not only influences how much turf is removed with each swing, but also how quickly the turf will recover. The three most common divot patterns – scattered, concentrated and linear – can be seen in the photo.

A scattered divot pattern removes the most amount of turf because a full divot is removed with every swing. Scattering divots results in the most turf loss and uses up the largest area of a tee stall. This forces the golf facility to rotate tee stalls most frequently and often results in an inefficient use of the tee.

A concentrated divot pattern removes all turf in a given area. While this approach does not necessarily result in a full-sized divot removed with every swing, by creating a large void in the turf canopy there is little opportunity for timely turf recovery.

The linear divot pattern involves placing each shot directly behind the previous divot. In so doing, a linear pattern is created and only a small amount of turf is removed with each swing. This can usually be done for 15 to 20 shots before moving sideways to create a new line of divots. So long as a minimum of 4 inches of live turf is preserved between strips of divots, the turf will recover quickly. Because this divot pattern removes the least amount of turf and promotes quick recovery, it is the preferred method.
Happy New Year from all the Professional Staff here at Onion Creek Club. With the start of a new year comes the resolution that we all want to play more and better golf. Our staff is here to help that become a reality. We will kick off 2018 with a new line-up of fun and educational complimentary clinics. These clinics are geared toward new and novice golfers that have a desire to have more fun and confidence on the golf course. We do ask that you RSVP beforehand so we know what size class to expect (walk the line requires no reservation).

The 2017 Golf season has wrapped up and the MGA Golfer of The Year has been determined. Heading into the final, GOY Points earning tournament, Robb Edgecomb had an 8pt lead over 2 contenders, John Purcell and Don Bledsoe had a 12pt lead over Paul Romero. The challengers were not up to said challenge as we saw Robb Edgecomb not enter the tournament and still walk away as the 2017 Onion Creek MGA Golfer of The Year, congratulate Robb if you see him out on the range. Which is where he should be if he thinks he will defend this title! Winning the GOY earns Robb the Captain’s Chair of the challenging team in the MGA Cup Tournament. This years Cup Matches featured 26 2-person teams competing in 4 different 9-hole match play formats. Stuart Osantowski and Don Bledsoe served as co-captains for the gray team and 2017 GOY winner Robb Edgecomb led the “Sky Blue” team. At the midway point Team Edgecomb was leading 14-1/2 points to 11-1/2 points. The tide turned on Sunday and Team Osantowski/Bledsoe staged a historic rally to win going away 28-1/2 to 23-1/2. This marks the third year in a row that Osantowski and Bledsoe have co-captained their team to victory.

The MGA also elected new officers at the December Breakfast Meeting. Officers for the upcoming 2018 golfing season are:
